SUBJECT:

DOCKET NO. 2007-41-W - Application of Ashley Oaks Water System, Incorporated for Approval of a Transfer of Its Water System to the City of Columbia – Discuss this Matter with the Commission.

COMMISSION ACTION:

While there does not appear to be a continuing need for the utility to have an easement to the well since service has been transferred to the municipality and the utility is therefore no longer certificated to serve customers with that well, it seems equally apparent that this Commission is not the best forum for the needed determination of real property and equipment ownership or extinguishment of easements. I believe that such a determination is best left for a Master in Equity to make. Therefore, I move that we dismiss the petition.
